OFFICE OF PETITIONS

ON PETITION

This is a decision on the Renewed Petition under 37 CFR 1.182 filed November 6, 2007, to Correct the Name of the Inventor due to marriage.

The petition is **GRANTED**.

A petition filed April 9, 2007 wherein petitioner requested that the inventor formerly known as Adam Karlsson be listed as Adam Morrell as the name change was effected by marriage. The petition was dismissed in a decision mailed September 17, 2007 because while the name on the Oath or Declaration was signed as Adam Morrell, the typed name on the Oath or Declaration was Adam Karlsson. Petitioner was advised that either a substitute oath or declaration or an ADS identifying the inventor as Adam Morrell was required to be in compliance with 37 CFR 1.182.

The petition fee was paid with the original petition filed April 9, 2007. An Declaration identifying the inventor as Adam Morrell and of how the change was effected, marriage, has been submitted in compliance with 37 CFR 1.182.

In view of the instant request, the inventor name data will be changed to Adam Morrell.

This matter is being referred to Technology Center 2624 for further examination in due course.

Telephone inquiries concerning this matter should be directed to the undesignated Petitions Attorney at (571) 272-3242.

Dear Sir:

In the Decision issued September 17, 2007, the United States Patent and Trademark Office acknowledges that a Petition Fee Under 37 C.F.R. §1.182 of \$130 was received and the remaining \$270 of the \$400 fee was charged to Applicant's representative's deposit account. The Petition did not find any issue with the Extract of the Population Register which verified that Adam Karlsson changed his name to Andrew Morell. A copy of the first Petition Under 37 C.F.R. to Accept name change as filed on April 9, 2007 is enclosed.

Regarding Applicant's Petition Under 37 C.F.R. §1.182, only the item of a substitute oath or declaration or an ADS needs to be satisfied. With regard to this item, a proper reply is a declaration or oath in compliance with 37 C.F.R. §1.182 which identifies the inventor formerly known as Adam

Karlsson as Adam MORELL. While the United States Patent and Trademark Office did not accept the previously filed Declaration and Power of Attorney, Applicants hereby submit a new Declaration and Power of Attorney signed by the inventor in connection with the present application. Accordingly, based on Applicant's fulfillment of each of the requirements Under 37 C.F.R. §1.182, Applicant respectfully requests that the Petition be granted.

An early indication for the granting of the Petition is respectfully requested.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 08-0750 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.
